

Access Guide to: Common Ground at Hilldrop Community Centre

This is an event run by the company Scary Little Girls.

It is part of a project called Greenham Women Everywhere. This project shares information about the women who lived at the Greenham Women's Peace Camp.

The event is at Hilldrop Community Centre. There will be three event spaces: the Main Hall, the Small Hall and the Garden. You can go in all the spaces.

When you arrive, you will be welcomed by Hilldrop Community Centre Staff. They will ask you to sign in at the Registration Desk.

They will ask you if you are happy to be in photographs whilst you are at the event. If you do not want your picture taken, you will be given a coloured sticker to wear.

These are the activities that will be there:

Pop - Up Exhibition

- A tent that you can sit inside on your own to listen to a soundscape on headphones. You can also sit next to the tent on a chair.
- Photographs of Greenham Women.

Craft Activities

- A willow building workshop in the garden with Jo. This will start at 2pm and finish at 4pm.
- Craft activities with Maz. You can spend as much time or as little time making these as you like.
- A face painter will be there.

Talks

- Stalls with local organisations talking about their work.
- Talks and songs about the Greenham Women's Peace Camp.
- People you can talk to about Greenham, local events or anything else that you think about while you're there!

You do not have to join in with any of the activities. You can just enjoy looking around.

All of the activities are free.
